

# REPORT ON TREE PLANTATION PAKHWADA

## A Report

Glimpses of plantation drive with the message of saving trees.

**GOVT. COLLEGE OF ARTS, SCIENCE & COMMERCE**  
**KHANDOLA, MARCELA – GOA, 403107 (ESTD 1989)**  
**Affiliated to Goa University**  
**(Accredited by NAAC at ‘A’ Grade and NIRF Ranking 101-150 band)**

The NCC unit of our college have witnessed **Tree Plantation Pakhwada** on 10<sup>th</sup> July 2020 to 25<sup>th</sup> July 2020. In an earnest attempt to give a green touch to the cadets living environment and sensitize the cadets about their role in conserving it. The celebration was an ideal opportunity to inculcate the value of social responsibility in the cadets towards conservation of trees and forests.

The focus of the celebration was towards forming a personal connection between the cadets and trees. Through the activity of using the mobile based application to register themselves and submit plantation details along with a picture for geo-tagging.

Geo-tagging, as the name suggests, tags the location of the plant and the user also gets a chance to upload pictures. This data usually consists of latitude and longitude coordinates, but can also include altitude, bearing, distance, accuracy data, names of places, even a time stamp. The main objective of geo-tagging is to check and monitor plantation in accurate geographical location.

All the cadets enthusiastically participated in plantation drive and come up with beautiful message of planting and conserving trees in our environment. It may be urban or rural both section glimpse are capture by cadets in the mobile pictures.
