INFRASTRUCTURE POLICY

Since its inception from 1980, the Government of Goa created all required infrastructure facilities in a phase-wise manner. The premises are expanded, renovated at regular intervals based on the academic needs and increased strength of students at the college. All the infrastructural requirements in terms of building structure, equipment and their maintenance are proposed by the college to the Directorate of Higher Education (DHE) for further governmental process by GSIDC or by PWD- Govt. of Goa.

Objectives:

- To propose required infrastructural and equipment facilities to the DHE.
- To follow-up with GSIDC/PWD as per the required procedure for the upkeep and maintenance of all infrastructural facilities such as electrical, plumbing, internet.
- To ensure availability of appropriate/demanded facilities by respective faculties, for smooth functioning of the departments.
- To entrust on individuals the responsible use of college resources.
- To propose demands for urgent requirements such as ICT enabled tools, teaching aids, staff & student welfare facilities
- To obtain required approvals for creation of infrastructure in case of funding under CSR by corporates.
- To execute minor renovations, alterations through the DHE approved job executing agencies as per the contract agreement.
- To maintain and upkeep the infrastructure on routine basis through the staff of Goa Human Resource Development Corporation(GHRDC).
- To execute regular servicing of equipments installed in the college through annual maintenance contract (AMC).
- To ensure state-of-art infrastructural facilities for the users within the institute.
