## **SPECIALLY ABLED CHILDREN POLICY**

**Objectives:** The policy ensures that children with special needs are provided with equal opportunities to pursue higher education in college. This policy outlines the procedures and guidelines for accommodating the special needs of these children to create a more inclusive and accessible college environment.

### **Admissions and Enrolment:**

College will make reasonable adjustments to ensure that students with special needs have equal opportunities to access the admissions process. This may include extended application deadlines, alternative forms of application, and additional support during the application process.

### **Accommodations and Support:**

College will provide reasonable accommodations and support for students with special needs to ensure that they can participate fully in academic and extracurricular activities. This may include:

- Accessible classrooms, buildings, and facilities
- Assistive technology and software
- Alternative formats for textbooks and course materials
- Accommodations for exams and assessments
- Sign language interpretation and captioning services
- Personalized academic support, such as tutoring and mentoring
- Counselling and mental health services

### **Faculty and Staff Training:**

College will provide training to faculty and staff on how to work effectively with students with special needs. This may include training on how to identify and accommodate various disabilities, communication strategies, and inclusive teaching practices.

### **Confidentiality and Privacy:**

College will protect the confidentiality and privacy of students with special needs. Any information about a student's disability or accommodations will be kept confidential, and only disclosed with the student's consent or when required by law.
